MSA Principal Fellow Selection Process

We know that great schools have great leaders.

Leadership succession planning or investing in leadership “bench strength” is a standard practice in successful corporations and in high performing educational systems. NC State MSA program targets resources to prepare the very best leaders for NC’s schools and improve student outcomes.

To prepare highly effective leaders for NC’s schools, NC State uses a multi-step selection process that includes experiential events in which candidates must demonstrate their skills, knowledge, and dispositions. Through these carefully sequenced interactions, NC State selects the very best people – those who demonstrate characteristics of principals that research has identified as linked to higher levels of student performance and correlated with deeper school change.

NC State selects Principal Fellows who ...

- have high expectations and share the belief that *all* children can achieve at high academic levels;
- have a sense of urgency and personal accountability for achieving results for students;
- have a deep commitment to equity and community engagement;
- possess a deep knowledge of curriculum and instruction and monitor teacher effectiveness;
- and have strong resiliency skills to persevere when confronted with setbacks

Multi-Step Selection Process

1. Applicants complete an enhanced NCSU Graduate School application and must pass a background screening and reference check by **November 3, 2024**. Letters of recommendation for this stage of the process should come from the **candidate’s immediate supervisor(s)** and others who have worked closely with the candidate.
2. After a careful review of applications, the NC State MSA Leadership Team and Educational Leadership Faculty select finalists to participate in Candidate Assessment Day (**November 23, 2024**). Finalists engage in authentic scenario-based activities. Evaluation teams are composed of current teachers, principals, K-12 students, and district personnel.
3. During Candidate Assessment Day, finalists:
 - ✓ Role play scenario with a high school student;
 - ✓ Role play scenario with a K-12 teacher;
 - ✓ Complete multiple timed activities;
 - ✓ Participate in a 10-minute individual interview.
4. At the end of the day, the Assessment Team debriefs with the MSA Leadership Team about the strengths and weaknesses of each candidate.
5. The MSA Leadership Team then completes a comprehensive review of all the materials, consults with district leaders, and makes final admission decisions.

Offers of admission will be made approximately six weeks after Candidate Assessment Day.
